

1<sup>st</sup> April 2014

Dear Parents,

**School Uniform Ordering**

We recently advised you that we would be changing our system for order of school uniform. I am writing to let you know that the new system will be live with effect from 1<sup>st</sup> April 2014 and to give you more details on how to use it.

We are still using the company called School Trends as we have been really pleased with the quality of their uniform in the past. Changing the way parents purchase uniform has meant that we are now we are able to extend the range of uniform available to purchase and we are also giving parents additional choice of colours in our outdoor wear. Although some items have increased slightly in price you will see that several items have come down in price.

Please take advantage of the size guide information to make sure you get the fit you want and allow for your child's growth through the school year. School book bags, P.E. bags and a brand new rucksack for KS2 can only be ordered through the school office.

Please ask at the school office if you have any queries or problems.
